HURN PARISH NEIGHBOURHOOD PLAN

Hurn Parish was a significant part of the Christchurch Borough Council area. However, now, within the very large new Bournemouth Christchurch and Poole (BCP) Council its presence is a lot smaller. Therefore, the Parish Council has taken the decision to increase the Hurn community's influence by producing a Neighbourhood Plan.

Neighbourhood planning powers provide an exciting opportunity for Parish Councils and communities to have more of a say about development in their local area. They can consider many issues relating to the specific plan area, in this case within Hurn Parish boundaries. As examples, the Plan can cover:

- Environment (e.g. landscape, heritage, wildlife, flooding)
- Design (character and climate change considerations)
- Housing (how much, what type and where)
- Community Facilities (what is important to retain, what more is needed in the future, and how could this be achieved)
- Economy and Tourism (what is important to the area and where)
- Designation of local green spaces

The plan can be focused on a limited number of sites or issues, or can be comprehensive, covering all types of development, although it cannot include policies on major infrastructure, such as large scale renewable energy schemes, highways, or minerals and waste development. Once adopted, it's local policies will be a key consideration when BCP Council decide planning applications.

The process of preparing a neighbourhood plan typically takes about 2 years to submission, sometimes longer, and a Government grant is available for the process. That process will include a lot of consultation within the Parish at various stages, evidence gathering on relevant subjects, formation of policies based on outcomes from consultation and evidence, and ultimately examination by a Planning Inspector and a local Parish acceptance referendum, before it is officially adopted and made part of the BCP Development Plan. It will be a lot of work, but will give Hurn Parish residents a lot more say in what they want to see in Hurn for the future. If you want to know more, please contact the Chairman of the Parish Council.
