**Proposal:** Lawful Development Certificate for existing use of land for storage of scaffolding and associated storage, use of building as ancillary office and storage and associated parking of vehicles.

Cllrs resolved **to object to** this application. The site has expanded significantly in the last year as demonstrated by Google Earth. The area being used for business purposes and the size of the portacabin are significantly larger than those permitted under Certificate of Lawfulness 8/98/169/J. The site is within the Hurn conservation area. Red Cottages are locally listed 8/360 (Hurn CA). The Cottage is a heritage asset. The setting of the listed building has been damaged by the unauthorized expansion of the of the scaffolding business. The unauthorized expansion is inappropriate in the green belt and the Hurn Conservation Area. Cllrs do not consider the site to be eligible for a Certificate of Lawfulness.

The meeting closed at 8.31 pm.
